

Tsukuba Global Science Week

つくばグローバルサイエンスウィーク

Survival Strategy in Arid Land

-Management of Water Resource and Agriculture -

乾燥地における生存戦略

-水資源管理と農業経営-

Date & Time 28th September 14:15-17:15

Venue EPOCHAL TSUKUBA Conference Room 401

Panelist:

Jamila Tarhouni : Tunisia
(Institut National Agronomique de Tunisie)

Mohamed Kefi : Tunisia
(Centre de Recherches et des Technologies des Eaux
Technopole de Borj-Cédria)

Cherif Ould Ahmed : Mauritania
(Institut Supérieur d'Enseignement Technologiques de Rosso)

Erina Iwasaki : Japan
(Sophia University)

Coordinator:

Mitsuteru Irie (Alliance for Research on North Africa)

Kenichi Kashiwagi (Alliance for Research on North Africa)

Organized by
Alliance for Research on North Africa (北アフリカ研究センター)
Tunis Office of University of Tsukuba (筑波大学チュニスオフィス)
Research Unit: Practice for Balancing Development and Environmental Conservation in Arid land
(リサーチユニット: 乾燥地における開発と調和の実践)

Approved by
The Japanese Association for Arid Land Studies (日本沙漠学会)

Supported by
TOYOTA Foundation (トヨタ財団)
